Data Protection Declaration

ICFM will collect personal data of participants in the 2019 ICFM conference on “Food- and Airborne Fungi – Challenges for Food Safety and Supply” that will be organized in Freising, Germany 3. – 5. June 2019. Personal data will be transferred to an electronic database and used by ICFM for the organization of the mentioned conference. Personal data will be forwarded to the venue (Pallotti-Haus Freising, Pallottinerstraße 2, 85354 Freising, Germany) where they will be processed for organizational reasons. Electronic data collected by the International Commission on Food Mycology will be deleted no later than 6 June 2019. Hard copies of registration forms will be stored at the ICFM office. Moreover, email addresses of participants will be stored in a mailing list for the distribution of ICFM related information. The user may revoke to this agreement at any time in writing via email to niessen@wzw.tum.de

Modalities

Registration is only valid upon receipt of the conference fee. Registration deadline is 1st March 2019 (1st April 2019 without guarantee for accommodation at the venue). The conference fee of € 550 includes free participation in all lectures and the poster sessions, abstract book, three nights of accommodation in single or double room, breakfasts, lunches, dinners, coffee breaks at "Pallotti-Haus Freising" (conference venue) and conference dinner. Reservation of rooms is done by the conference organizers on a first come basis. In the unlikely event that this venue is fully booked, € 180 will be reimbursed from the full price. In that case, participants are asked to make their own booking at "Hotel Bayerischer Hof" via email mentioning booking code ICFM2019 for special price or one of the other local hotels (no discounts, support upon request). The remaining fee includes conference participation and materials, lunch, dinner and two coffee breaks on 3 and 4 June 2019 as well as one coffee break and lunch on 5 June 2019. Extension of accommodation at Pallotti-Haus Freising is possible on request until Friday, 7 June 2019 for €53 per person per night, including breakfast or for 73 € per person per night full board. Please inquire for room availability!

Accompanying persons may not enter scientific sessions and do not receive conference materials. Their fee of € 350 includes three nights of accommodation at the conference venue, all meals and the conference dinner. A limited number of rooms for double room accommodation are available upon request. Please inquire with the conference organizers for double room availability and for additional accommodation.

Cancellation policy: Cancellation is free before 15th April 2019. For cancellations made between 16th April and 6th May, 2019 a fee of € 110 (€70 for accompanying persons) will be raised. For cancellations made between 7th May 2019 and 20th May 2019, a fee of 181.5 € (€115.5 for accompanying persons) will be raised. For cancellations made between 21st May, 2019 and 24th May 2019, a fee of 275 € (€ 175 for accompanying persons) will be raised. **The full price of 550 € (350 € for accompanying person) must be paid for cancellations made after 24th May 2019.** Payments can only be reimbursed with written cancellation sent in due time before the above mentioned deadlines. A replacement delegate may be sent at no extra charge. The organizers reserve the right to cancel this conference if an insufficient number of registrations is received after the registration deadline, 1st March 2019. Upon cancellation of the event, registration fees will be refunded in full. In case of cancellation of this event, organizers are not liable for non-refundable (air) fares or ticket change penalties.

Thank you for your registration
